## Haiti Trips

**February 12-19 & 19-27, 2010**

This trip is to serve in God's Littlest Angels Orphanage in Port-au-Prince, Haiti.

**God's Littlest Angels** is an independent, non-denominational ministry founded to care for premature, malnourished, and abandoned children in Haiti. GLA employs Haitian nannies who are responsible for the basic care of the children. However, with so many children, the nannies are unable to give the children the 1-1 attention they need and deserve.

This is where you as a volunteer can best serve... Ministry to include: encouraging and spending time with orphaned children waiting adoption.

Travel: Upon acceptance arrange for ticket purchase for flight into Port-au-Prince.

Participants will travel to Haiti as a team.

Approximate cost:

\$1200 -\$1400 includes plane ticket from MSP

## LaPalangana Trip

**March 19-27, 2010**

This trip will be in partnership with Iglesia Bautista Emmanuel ( Emmanuel Baptist Church) in LaPalangana.

**Iglesia Bautista Immanuel** is a small village church just across the border in Mexico from Harlingen, Texas. Cross of Glory has a limited partnership with the church through Pastor Fernando and Rosalia.

On earlier trips we did work for the church, more recently we have been ministering alongside them as they reach out to a new area with the gospel.

Ministry to include:  
Working along side the congregation conducting VBS, prayer walks and outreach.

Decide on transportation to south Texas ( ground or air) but must arrive at pre-specified location and specified dates. Exact dates will be determined soon!

Participants will be traveling if they fly individually to Texas or together if a van is taken from Minnesota. Everyone will then be riding together in vans going into Mexico.

Approximate cost:

Each trip will cost \$250—\$300 excluding transportation to south Texas per participant plus the cost of your choice of travel to south Texas/Mexico.

## Matamoros Trip

**April 5—12, 2010**

This trip is in partnership with Iglesia Bautista El Divino Salvador (The Divine Savior Baptist Church) from Matamoros, Mexico.

**Iglesia Bautista El Divino Salvador** is a larger city church in the heart of Matamoros, a city right across the border from Brownsville, Texas.

Similar to our work with Immanuel, we've taken almost annual trips to El Divino to work with them or alongside them. El Divino has a number of mission churches that they support with the hopes that they will become stand alone churches in the coming years.

Our ministry with them has been to encourage and help with ministry in the mission churches.

Ministry to include: Working along side the congregation conducting VBS, prayer walks and outreach.
